ATTEND! The most important way to become involved is to attend monthly Music Booster Meetings usually held on the 2nd Tuesday of each month at LHS (either in the Band or Choir classroom.) This is where you will:

- v Meet Other Music Booster Families
- v Hear What's Going On From Each Of The Music Directors
- v Learn More About Fundraisers
- v Organize Your Music Events Calendar

VOLUNTEER to work Bingo and Concession sessions to help offset group travel expenses. Participate in as many music department events as possible – things like prop building, classroom improvements, concert attendance, special events like St. Vrain Band night or Chamber Singers Dinner Theater. These opportunities are what keep LHS Music Boosters financially viable. It is wonderfully rewarding to volunteer your time when you are working with others who share a common goal.

ACTIVELY PARTICIPATE in group fundraising opportunities. There are a number of Music Booster families volunteering their time to participate in fundraisers. The funds generated by these activities are available to support department activities as well as individual scholarship requests. It's easy - Music Boosters does all of the organizing and accounting. Take advantage!

GET EXCITED about what the LHS Music Department has to offer your child as well as your entire family! Share your time, share your ideas and share your excitement. You won't regret it and your musical son or daughter will never forget it.

E-mail us all for more information or meeting dates!
